

You are Invited to Help Protect Your Local Environment & Save North Worcester's Waterways

Lake Watershed Survey of North Worcester

- Survey a section of your lake shore or stream
- Learn more about your watershed
- Help protect and restore your waterways!

Do you want your
waterways to look
like this?

Or like this?

Fish Kill, Salisbury Pond Jan '02

Salisbury Pond

Where?

**North Worcester's Mill Brook Watershed
including Indian Lake and Salisbury Pond.**

What is a Watershed Survey?

It's a visual survey of a lake or stream and the land around it, geared to look for pollution.

Everyone is invited— no prior experience needed!

Join Us:

Training Workshop:

Pizza & Registration

6:30-7PM
